| <b>Avaliação 06 – TRABALHANDO COM DOCKER HUB</b>                                  |  |

## CRIANDO O LOGIN NO DOCKER HUB

The screenshot shows the Docker Hub sign-up page. At the top, there's a navigation bar with the Docker logo and the text "docker". Below this, the heading "Create your account" is centered. There are two main options for signing up: "Continue with Google" and "Continue with GitHub". Below these, there's a section for creating a new account with fields for "Email", "Username", and "Password". A checkbox for "Send me occasional product updates and announcements" is present. At the bottom, there's a "Sign up" button and a link for "Already have an account? Sign in".

## FAZENDO LOGIN NO NA PÁGINA WEB DO DOKCER HUB

The screenshot shows the Docker Hub homepage. At the top, there's a navigation bar with the Docker logo, a search bar, and links for "Explore", "Repositories", "Organizations", and "Help". Below this, the heading "Welcome to Docker" is centered, followed by "Download the desktop application" and a "Download for Windows" button. Below this, there's a section for "Also available for Mac and Linux". The main content area features three cards: "Create a Repository", "Docker Hub Basics", and "Language-Specific Guides". At the bottom, there's a section titled "Access the world's largest library of container images" with a row of logos for NGINX, MongoDB, Alpine, Node.js, and Redis.

## FAZENDO LOGIN NO TERMINAL

```
sousaedvaldo@sousaedvaldo-desktop: ~  
sousaedvaldo@sousaedvaldo-desktop:~$ sudo docker login  
Login with your Docker ID to push and pull images from Docker Hub. If you don't have a Docker ID, head over to https://hub.docker.com to create one.  
Username: sousaedvaldo  
Password:  
WARNING! Your password will be stored unencrypted in /root/.docker/config.json.  
Configure a credential helper to remove this warning. See  
https://docs.docker.com/engine/reference/commandline/login/#credentials-store  
Login Succeeded  
sousaedvaldo@sousaedvaldo-desktop:~$
```
